

Cloud Hosting Invoice and Payment Information

Cloud Hosting Invoice and Payment Information

Cloud Hosting Invoice Information

- This invoice is for on-demand, monthly usage of cloud hosting services. Whenever customer uses services that are not listed on the Master Hosting Agreement's Attachment A, the On-Demand Pricing will be applied.
- Cloud Hosting invoices are sent after the end of each month of service; e.g. for March cloud hosting service, the invoice date is March 31st.
- Payment terms are net 30 from the date of invoice.

Cloud Commit Invoice Information

- This invoice is for monthly pre-payment of cloud hosting commitments.
- Payment is due upon receipt.

Payment Instructions

- Payment of Xandr Invoices by ACH or Domestic (US) Wire Transfer
- Payment of Xandr Invoices by International Wire Transfer
